FROM THE EDITOR

Well, another issue planned, prepped and executed. As Spring is upon us, I'm already planning the next issue which is in the summer. Beach, sun, bikinis, skin. For this issue, though, some cool inside shoots.

First up, 'Bubbles and Berries'. I've always wanted to do a bugglegum shoot and finally found someone that can blow bubbles, ChelseaD. We had a lot of fun trying to get the bubbles blown and holding all while she posed. We added the strawberry just because, but it went well with the bra. The outtakes will be posted next month showing some shots we did with a cupcake.

Second up is 'Look Good, Feel Good'. A shoot I did in a really cool studio that had bathroom, bedroom and living room setups. Shooting with the mirror is always fun for me; getting the reflection in focus and the model out of focus and vice versa. I went with B/W because I used natural lighting and thought it looked cool and besides, I love B/W.

Next up is 'Music is her BFF'. A 1970's inspired shoot with a model that is also a singer. I found this little hole in the wall studio that worked perfectly. My main camera lens broke just before the shoot so I had to make due with a long zoom lens. Quite the challenge, but the crew, model and I got some great shots.

This issue is rounded out with 'Tough is Sexy' is up next. This is a shoot I shot a long time ago, but took a while to get the rights. Shot in this cool gym that has a small boxing room with overhead red lighting only. I had to light to over power the red lighting and make it look normal.

I hope you'll enjoy this issue, and don't forget to check the website periodically for some new photos that will be website/subscriber only.

So relax, and enjoy this issue of Amethyst!
